# Dr Hedda - Nomination for the Global Woman Corporate Award 2021

# WA

We are incredibly proud to announce that Dr Hedda Martina Šola, a valued member of the Oxford Business College faculty, has been selected as a top finalist in the Global Woman Corporate Award 2021. Announcing her nomination on Facebook, Dr Hedda thanked Oxford Business College students for playing an integral role in her selection. She said, "thank you for nominating me for this prestigious award ... regardless of the final outcome, I'm so happy and proud to have students like you".

The Global Woman Corporate Award is a celebration of inspiring women who deserve to be recognised for their work in bringing positive change to the world.

Dr Hedda was nominated due to her outstanding contribution to education. As well as being a pioneer of neuromarketing, she's a hugely positive tutor, sharing her wisdom through business courses at the College. Students value her high-quality expertise and warmth.

We wish Dr Hedda all the best and congratulate her on this massive achievement.
